

Area 7 Important Contest Info

The IAC has informed me that he will need a list of all attendees with either SSN or Driver's license numbers and their birth dates. It is important that guests understand they cannot have an outstanding warrant or be on the visiting list of any offender at JCCC. Anyone with a criminal record will have to be approved by the Warden or her designee. Additionally, The Facility adheres to the following dress code:

Dress Code for Visitors of Missouri Inmates

To prevent security risks and to ensure no other visitor is offended the Missouri Department of Corrections has adopted a dress code that is strictly adhered to. All visitors are expected to comply with the dress code, failure to do so will result in a denial of visitation. The dress code is interpreted and enforced by the guards on duty during a visiting session. What you wear to one visiting session that a guard may have let slide, may be reason for a denial of visitation when another guard is on duty. Because of this, we encourage all visitors to bring a change of clothes that they can leave in their car, this way if there is a problem with an article of clothing they are wearing they can quickly change and not miss out on visitation.

- Tight clothing, such as spandex, leggings, tube tops, tank tops etc are prohibited from being worn.
- All visitors must wear undergarments and shoes at all times. Undergarments with wire or metal support are discouraged because they may set off the metal detector.
- No items may be worn on the head with the exception of verified religious head wear, which is still subject to search.
- Pants may not have holes or slits.
- Skirts, dresses, and shorts must be no shorter than two inches above the knee. Wrap around and skirts/dresses with slits are not allowed.
- Any clothing that closely resembles the inmates clothes or the staffs clothes is prohibited.
- Uniforms such as military or doctors/nurse scrubs are restricted from being worn, this includes any item of clothing that is camouflage design.
- Clothing that contains offensive language or images is prohibited. Clothes that display gang symbols are also restricted from being worn.
- Any clothing that exposes the midriff, back, shoulders, cleavage, thighs or other excessive skin is not allowed.
- Shirts, tops, and blouses must cover the chest and stomach and have sleeves that cover your shoulders.
