District 54 Director, Tony Boury has submitted a proposal for to us requesting that District 54 approaches TI to annex some District 8 Illinois counties that lie to the west and south of the District 54 boundary line. They are listed below.

The following counties are as follows:

1. Logan
2. Christian
3. Cass
4. Brown
5. Schuyler
6. McDonough
7. Warren
8. Hancock
9. Henderson

Please see the map which is attached and the counties numbered to give a visual of the counties' locations.

District 8 currently has 1 club in Quincy, IL which is in close proximity to number 4 Brown. They are not seeking that as one of the counties to annex.

The Trio has had a conversation with the Trio of D54 and to express that we initially have no objections. This is being presented to you today in advance of making this proposal to the District Council at our Annual Business meeting on May 4th.
