

Phil Munro has been a member of Jacobs P3 (a corporate club) since 2012 and recently joined Collinsville toastmasters (a community club) as a second club. He has held officer roles within Jacobs P3 including VP Membership, VP Public Relations, President and is currently the VP Education of this club.

In this last year as President Phil has been more active in Toastmasters including attending the leadership expo and the recent district conference. This let him see the importance of having active area and division leadership.

Phil says "I am hoping to put all that I have learned over the last 7 years in Toastmasters to good use helping Area 8 clubs be successful and achieve their goals"

Phil is a husband and father of two young boys, and I want to be a good role model. Phil works for a large engineering company in an office in Downton St Louis where he has worked since immigrating from Scotland in 2005.
