

Karen joined Toastmasters as a charter member of Toast of WU in 2014. Since that time she has had the privilege to serve as club secretary (twice), vice president of education, and president. During the 2017-2018 term she was the Area 17 Director. That experience allowed her to meet many interesting people and appreciate the leadership opportunities offered within Toastmasters. She is currently serving as a club coach to WashU Med Masters and has enjoyed the club so much that she has joined that club as well. In her free time Karen enjoys spending time with friends and family.
