

Adrienne Pluss (A+) is an inspired woman who wants to inspire others to unlock the pieces of themselves they never knew existed. She joined Covenant Voices (Toastmasters) in Dallas, TX, in 2014 to grow her public speaking skills. She began her Toastmasters leadership journey the same year she joined by serving as VP Education.

She joined Chesterfield Toastmasters in January 2017 shortly after moving to the St. Louis area. She served as President 2017-2019, leading the club to its second year as a President's Distinguished Club and holding its first club contest in years. In 2019, A+ was a committee chair for the District 8 Conference and co-chair of the 2019 Toastmasters Leadership Institute.

From an early age, A+ knew she wanted to change the world, but the journey to discovering how she could propagate change was a long path of self-discovery. Along that journey, she became a spoken word artist, published poet, volunteered and spoke for a variety of nonprofit agencies, and received her Business Degree from University of Phoenix. She discovered her path is one focused on helping others live a life where they are free to be who they were designed to be.

A+ is working on self-publishing a compilation of her poetry this year. She is also working on a second book to give individuals the keys she found to living a fulfilling life of passion and purpose.
