

Kathryn (Kat) Mokriakow joined Toastmasters in 2006 at the Express Scripts club, Script Masters. When Kat was the club president in 2008, she saved the club from suspending by moving the official club location to the new company HQ's by the airport and involving the Express Script company CEO to endorse and market the club. She then ran two meeting locations between Riverport and the airport, often attending both meetings within the same week, until the club was able to be self-sustainable at the one location (there were only three - two active-members in the club at that time). She earned her DTM nine years later in 2015.

Kat has remained active in the district by serving in the following district officer roles: district secretary, area governor, division governor, and public relations officer. Also more recently serving in the highest district capacities of club growth director, program quality director, and district director. She is currently serving as the past district directors advisory committee chair (also the creator of this committee), area director assistant, and the district conference site chair.

Kat is currently a member of Little Hills Toastmasters and the Competitive Speakers Club. Kat was the sponsor of Competitive Speakers STL and is a charter member. Kat has served in the following positions in support of the district: TLI chair, district alignment committee chair, district procedures committee chair, and credentials chair. Kat has received the area governor of the year, division governor of the year, and the district Toastmaster of the year awards for her dedicated service.
