

## **Rankin Bio for AD10 2020-2021**

Sue retired as a computer Programmer/Analyst from the State of Illinois after almost 29 years of service. In that time, she supported a variety of programs for the Department of Public Aid but spent the majority of her state employment at the Department of Transportation supporting many safety programs ensuring safe roads for the drivers in Illinois.

Along with supporting Safety programs, Sue was assigned to be a team member for both the Help Desk and the Technical Support Team helping co-workers throughout the entire state of Illinois to resolve difficult issues. There she was able to practice the communication and leadership skills learned through Toastmasters.

Sue has been a Charter member of Capital City Toastmasters since 2009 and is a member of another highly competitive and distinguished club. She held various officer positions prior to taking up the role of Area 10 Director and looks forward to helping others and meeting new people.

Sue has been married to her husband Todd over 30 years and they have two daughters. Lori and Lisa are in college and live with them in Riverton.
