

Tim Scarbrough Bio

Tim Scarbrough is a regional Facility Manager responsible for up to thirty state facilities in the southernmost area of the State of Illinois. He manages maintenance, procurement, oversight of work crews, and planning and execution of capital upgrade projects. He is an Army veteran and a single father of 4 children. Tim owns and operates a 17-acre farm raising goats, sheep, and honeybees.

He serves on planning and safety committees in his agency and is involved with his church in Marion, IL, and mission work with Habitat for Humanity and No Greater Love Ministries. He is alumni of Murray State University and Norwich University majoring in Design and Education and Project Management. Tim also achieved the rank of Eagle Scout.

Tim has been involved with Southern Illinois Toastmasters in Carterville, IL since 2014 and has served in various leadership roles. He is also a Charter Member and Club Sponsor for Mount Vernon Toastmasters which was chartered in April 2019. As a former VPE and President, he is always interested in meeting quality and the impact on guests. He also challenges members and officers to talk about those things that directly interest them which generates interest in others and connects audiences.

Tim looks forward to offering his skills and experiences in Toastmasters and life to help others in Area 11.
