

Debra Morrissey

I'm Debra Morrissey. Toastmasters changed my life and brought me from being a shy person to one that loves public speaking. I am past Club Coach Chair, past Area 8 Governor (I won Area Governor of the year), Past Division Governor (I won Division Governor of the year), and past Lt. Gov Marketing. I have 2 DTMs and have previously been involved in several clubs. I am currently a member of Grace Church Toastmasters. I have held most officer positions at the club level. I enjoy supporting other Toastmasters in their journey for confidence in speaking and leadership. I had to step back from Toastmasters for a period of time when I was my husband's caregiver. I am recently widowed. I am not familiar with Pathways but I am always willing to learn.
