

Shannon Geier Bio

Shannon Geier joined Ascension Toastmasters April 1, 2013 and never looked back. Since then she has served as SAA, VP of Education and President, but believes that every role in a club is a team effort.

Shannon has won several Toastmasters awards at the Area and District Level for both Table Topics and Humorous Speeches. Shannon loves to speak and is a natural born competitor, but mostly she loves to watch people grow as they become more confident speakers and leaders.

Shannon is proud to be serving as the Area 13 Director, her first role above the club level!

If you see the name Charidee Geier on anything, know that that is Shannon and if you ever call her that, she will hurt you.
