

Lora Mather Bio

Lora Mather has been a Toastmaster for 24 years. She has served in all club officer roles.

She joined Toastmasters in 1997 to advance her job skills. After 18 years in local government managing teams in the field of local ordinance enforcement, she retired. She moved to take care of her parents in 2017. In 2020 with the advantage of on-line meetings, Lora is now a member of five clubs.

She enjoys each club and is benefiting from the variety and how she is sharing good Toastmaster practices between the clubs. Mentoring is her favorite part of her club activities. Her hobbies include thread arts (such as machine embroidery, quilting, and other types of sewing projects) and gardening in her greenhouse.
