

Willie Blue Bio

Willie Blue DTM, I have been a Toastmasters since 1999. I am a member in two Toastmasters clubs Plus Factor, and Capital T. I'm the president in one club, and Secretary in the second club.

I have served in two districts, District 58 in South Carolina, and District 8 here in Missouri. I chartered two clubs, Bull Masters in Columbia South Carolina, and Shalom Church in St. Louis County. I'm currently working on my third DTM.

As Division E Director I plan to give my best to help make every club, and area director in my division to be the best they can. By helping my clubs and area directors I will be helping myself and the district. I love Toastmasters, and I want to give back for all the wonderful things Toastmasters has done for me.
