

Melissa Kelley Bio

I'm a working mother of 3 and avid Toastmasters member. I've been a member of Toastmasters since 2012. In that time I've served as Area Director, Club President, Vice President of Education, Vice President of Membership and most recently Treasurer. I love participating in and attending speech contests. I'm currently working on my entertaining side with the Humorous Speaking Pathway and getting more comfortable speaking virtually. Toastmasters has been big piece in helping me rise to challenges in life, both work and personal.
