

## **Tony Boysaw Bio**

Tony Boysaw is a Senior Operational Excellence Professional for Kindeva Drug Delivery, a global contract development manufacturing organization specializing in medications for syringes, transdermal patches, and inhalers. Tony leads continuous improvement initiatives supporting production, quality, and supply chain.

With a rich background of over 20 years in commercial and operations, Tony Boysaw has spearheaded numerous multi-million dollar initiatives. His expertise in Lean Six Sigma spans diverse business functions such as Sales, Customer Service, Pricing, Supply Chain, Manufacturing, Distribution, and Field Service, demonstrating his versatility and comprehensive understanding of operational excellence.

Tony has been with Toastmasters since 2023 and looks forward to working with the clubs within District 8 to build their membership and drive overall excellence. Tony holds a Bachelor of Arts degree in Sociology from Miami University and a Masters in Nonprofit Organizations from Case Western Reserve University. He is a certified Lean Six Sigma Black Belt and an active member of the American Society for Quality.
