

**Hosting a Speechcraft is an effective way of introducing non- members to Toastmasters, showcasing your club and demonstrating member skill.**

**The Speechcraft Program** is a blended learning program designed to provide optimal support for learners interested in building their communication and public speaking skills. A club can host this program for 4, 6, or 8 weeks and the participants receive credit towards pathway completion as well as our unique support to achieving their goals.

The program coordinator that hosts the speech craft is eligible for credit towards their Distinguished Toastmaster award. Each Speechcraft kit contains Coordinator access and digital platform for five (5) attendees. The kits cost \$50 each. Clubs can fundraise by charging a fee to cover the cost of the kit.
