2025 District Leadership Committee Report March 14, 2025

The responsibility of the Committee is to nominate a minimum of 1 candidate for the offices of District Director and Program Quality Director, 2 or more candidates for the office of Club Growth Director and a minimum of 1 candidate for each Division Director position.

This report is incomplete as the DLC Committee found (1) nominee for the position of Club Growth Director. Per Protocol 9.0 section 4F:

If the DLC report is incomplete, qualified candidates may run from the floor for any position for which the DLC did not nominate the required number of candidates. Qualified candidates must notify the District Director seven (7) days prior to their intent to run from the floor. Any nominations made by the DLC are valid.

Therefore, any qualified candidate for the position of Club Growth Director not nominated, must notify the District Director (7) days prior to the date of the scheduled District Council meeting, of their intent to run from the floor.

Each candidate submitted or nominated for district elected positions had their qualifications verified, were evaluated and interviewed per Protocol 9.0.

The following candidates have been nominated for the following District 8 elected positions for the 2025/2026 Toastmasters Year:

2025/2026 Elected Position	Nominee
District Director	Karen Leingang
Program Quality Director	Karen Dew
